TROUBLE FREE LINEN THE COMPLETE SETTING

No capital outlay with a managed rental system

AlSCO's rental service means there is no large up front capital cost to you. While AlSCO's laundry and delivery service ensures you always have bright, clean, crisp and fresh linen for your guests.

Take the worry out of managing your linen requirements and rely on AlSCO to ensure you always have elegance in your premises.

First and a lasting impression.

Right from the start of the dining experience, serviettes, tablecloths and overlays come in close contact with your customers creating a powerful impression of your establishment.

The great feel, look and texture of AlSCO's table linen will make a significant contribution towards getting every meal off to a good start.

Your AlSCO Sales and Service Representatives will determine:

- fabrics and sizes to suit your needs and budget
- an agreed, regular basis when your soiled linen will be picked up and exchanged with fresh laundered linen
- an inventory management system
- other AlSCO services that will be beneficial to your business such as our colour-coded wipes to support HACCP food safety systems

Serviettes

Tablecloths

Overlays also available

Call AlSCO today to find out about our managed rental services for restaurant linen and our other associated rental services requiring no capital outlay including:

- Floor care using our range of mats (anti-fatigue, dust-control and custom designed)
