sheeting

No capital outlay with a managed rental system

AlSCO's rental service means there is no large up front capital cost to you. While AlSCO's laundry and delivery service ensures you always have brightly clean, crisp and fresh linen for your guests.

Take the worry out of managing your linen requirements and rely on AlSCO to ensure you always have that elegance in your premises.

First and a lasting impression.

With AlSCO's managed rental services you will not need to worry about maintaining sparkling clean towels and linen again.

Your AlSCO Sales and Service Representatives will determine:

- linen styles, sizes and the best service option for your requirements
- an agreed, regular basis when your soiled linen will be picked up and exchanged for fresh laundered linen – assuring your guests of the highest standards of linen and leaving you to concentrate on meeting the needs of your customers
- an inventory management system
- other AlSCO services that will be beneficial to your business

Call AlSCO today to find out about our managed rental services for restaurant linen and our other associated rental services requiring no capital outlay including:

- Floor care using our range of mats (anti-fatigue, dust-control and custom designed)
- Linen (hand and face towels, pillow cases and crisp white sheeting)
- Uniforms (catering wear including chef's wear and waiting staff, image and food processing)
- Washroom services from Fresh & Clean.
