

AlSCO's new Safety Message Mats help keep safety front of mind in the workplace.

Our 5 new stand-out Safety Message Mat designs, are a constant reminder to you and your staff, everyday of every week to remember the importance of Safety in the work place.

Each week your new AlSCO Safety Message Mat will be collected and replaced with a freshly laundered, clean and vibrant mat displaying a new Safety message, ready for another week of service.

Not only do AlSCO's Safety Message Mats look great and deliver an important and different message every week, they are super functional as well. Our high performance pile provides exceptional water and dirt collection properties, to save your floors from wear and tear, and reduce the risk of slips and trips from slippery or wet surfaces. Our super grip "Raptor" backing, as tested by the NFSI, returned a high traction rating, which means your Safety mat will stay in place all week. AlSCO Safety Message Mats - another perfect business solution.
